NEWS AND VIEWS ...

And What Have You

By BOB CRAIG

We, like everyone else, were disappointed last Friday night when the Pipers lost out to the Haskell Indians but we were not disappointed in the least by the way the boys played. They were beaten by a good, fired up team that got some early breaks that put them in the lead and then kept the pressure on.

The important thing for the Pipers and their fans to do now is forget about this game and get ready for Anson and Stamford. These two games are important for several reasons. The first of course is that there is the possibility of Stamford beating Haskell which would put Hamlin back in the race.

With two more wins they could post the best season record for a Hamlin team in a long time whether they share in the district title or not. This would also give them the best district record in a number of years as the last time the Pipers shared the conference title and played in bi-district they lost two district

The fact that they will be playing Anson and Stamford is reason enough to come up with a strong finish for the season. The way football is played in Jones County, just winning the mythical County title is not too bad a consolation if you can not have the district honors too, and there is still the possibility of having both.

Sometime back Joe Youngblood received the following note from R. O. "Tex" Cloud after the Hamlin-Clyde game in which the Pipers only played a little over the first quarter and then let the B Team finish out the game. We have intended to run this letter for the past couple of weeks but have failed in getting it from Joe until now.

Dear Sirs,

As an avid fan of all sports and one who does appreciate good sportsman-ship and fair play, I write this note.

I will remember a long time the nice way you handled your team last Sat. night at Clyde, by playing your second (and third) team to keep from running the score up against us. Almost everyone at Clyde had nice things to say about you.

I believe also you will profit by the fact that your non-starters got real good game practice and that you set a good example for all.

As a member of the Clyde Ind. School Board, I will always remember this nice gesture.

ure. Your friend always, Tex Cloud

Absentee voting is already underway on six amendments to the Texas Constitution and the election will be held next Saturday, Nov. 11. Since it is very doubtful that very many people will bother to turn out for a special election called for just amendments we wonder why these could not wait until a general election.

Probably the only two amendments that are of any real consequence are the Veterans' Land Fund and the State Park Development Bonds. The only one that has drawn any real opposition that we know of is the Veterans' Land Fund which has been turned down by the voters twice before and is being opposed again by such organizations as the West Texas Chamber of Commerce, among others.

among others.

The main argument against this amendment is that it is no longer needed and that it does not permit the purchase of enough land to support the owner. Probably the strongest argument for it is that we have men who have become veterans since the end of the old program that should be given the same opportunity that earlier veterans received.

The other important amendment and one that has drawn state-wide support would authorize issuance of State bonds to acquire and develop sites as State Parks. This proposition would authorize issuance of \$75,000,000 in general obligation bonds of the State with the bonds expected to be paid off from entrance fees at the state parks.

'The plan would create 26 new recreation parks, preserve 14 scenic sites and protect 41 historical sites, plus the improvement of several existing facilities.

COMMUNITY SERVICE IN ACTION — Members of the Hamlin FFA Chapter practiced community service Friday when they unloaded wallboard given by the Celotex Corporation at the Harden Memorial Library. The boys and their advisor, Milburn Wink, unloaded

the wallboard in less than an hour. The work on the living quarters of the library was started Tuesday. The clubwomen who make up the Woman's Forum are in charge of the Library and have undertaken the remodeling pro-

Woman's Forum Starts Remodeling of Library

Renewed interest in the Harden Memorial Library was shown by members of the Woman's Forum at the meeting held Monday at 1:30 p.m. in the library. Plans were made for repair work to be done to the apartment, a change was made in the time and date of meetings, several changes in the constitution were made, a librarian was chosen, and the slate of officers was completed.

Mrs. Jack Vaughan, president, presided. Mrs. Vaughan, who had previously submitted her resignation, consented to continue in the presidency. Mrs. Bill Early was elected first vice president and Mrs. V. E. Holt, who was selected as librarian, was elected reporter. Other officers are Mrs. Loyd Burkhart, second vice president; Mrs. Arlie Cassle, recording secretary; and Miss Longic Greenway, treasurer

Lennie Greenway, treasurer.

Members were told of the 70 sheets of wallboard that had been given to the Forum by the Celotex Corporation that was hauled by R. D. Wade Trucking Company and unloaded by the FFA boys of the high school at 1 p.m. Friday

The group gave Mrs. Kenneth Riddle, chairman of the building committee the authority to contract putting up the wallboard, taping and bedding the joints and texturing the walls. (This work was started Tuesday and is under contract to Jack Wright.)

Time for the meeting of the Woman's Forum was changed from the fifth Tuesday at 3 p.m. to the new time of 1:30 p.m. on the fifth Monday. This change will make the meeting dates in 1968 fall on Jan. 29, April 29, July 29 and Sept. 30.

In other changes in the constitution, the president of each member club was given the authority to appoint a deligate to attend the Forum meeting and in the case where the president could not attend as the other voting repre-

A. J. Smith Named County Attorney, Neidecken to Abi.

A. J. Smith, Anson attorney, has been named Jones County attorney, succeeding Ben Neidecken who resigned to become assistant Abilene City attorney.

sentative of her organization, she would be permitted to appoint an alternate who would have voting power. The responsibility of keeping the scrapbook was added to the reporter's duties.

Mrs. Bob Craig, chairman of the finance committee mentioned a smorgasbord with all clubwomen participating as a tentative project for raising funds to complete the remodeling to the building.

Library Seeks Return of Books Long Over Due

The Woman's Forum has issued a plea for all books that are out of the Harden Memorial Library to be returned.

The organization would like to get all the books back and on the shelves before the library re-opens soon with Mrs. V. E. Holt as librarian.

Club members attending the Forum Meeting Monday were given cards on books that had been out since as far back as 1959. Some of these are valuable books and it is important that they be returned. Club members will be contacting the persons listed on the card as having the books checked out.

A drop has been placed in the door of the library and books may be returned by placing the books in the slot.

the finance committee menclubwomen participating as a tentative project for raising funds to complete the remodeling to the building. Representatives of each club were asked to report the details to their respective clubs but the response seemed to be enthusiastic. The members of the finance committee and members of the building committee would serve together on this project and the cooperation of all clubwomen would be sought. (An initial planning meeting will be held Tuesday, Nov. 7, at the Telephone Company Building and all clubwomen are asked to attend if at all possible.)

Representatives attending from the various clubs were Mrs. I. R. Witt, president, B-& PW Club; Mrs. Dick Maberry, president, Miss Lennie Greenway and Mrs. Floyd Hallmark, members, Hamlin Garden Club; Mrs. Floyd Clifton, Beta Theta Chapter, Mrs. W. A. Cassle, Xi Gamma Pi Chapter, both of Beta Sigma Phi; Mrs. Murl Don Smith, Jaycee-ettes; and Mrs. Craig, president, and Mrs. Loyd Burkhart, Woman's Literary Club.

Midwest Electric to Sponsor High School Oratorical Contest

Hamlin students are eligible this year to participate in the Midwest Electric Cooperative oratorical contest. Awards in the contest will be an expense paid trip to Washington, D. C. This announcement was made this week by Don Waddell, Members Service Director for the Roby based Cooperative.

This contest is open to any boy or girl at least 16 years of age, but not 18 years of age prior to Sept. 1, 1968.

Winners will join winners

Winners will join winners of similar contests sponsored by other cooperatives across Texas on the fourth annual Texas Electric Cooperatives Government-In-Action Youth Tour to Washington D. C. All expenses of the trip will be paid by Midwest Electric Cooperative.

Each entrant will be required to give a 5 to 8-minute talk on the subject, "A Youth Looks At His Community." The contest will be judged on the basis of (1) Knowledge of subject—40%; (2) Speaking ability—30%; (3) Poise—10% (4) Personality—10%; and (5)

Appearance — 10%.

Interested young people may obtain an offical entry blank from their school or the office of Midwest Electric Cooperative at Roby or Snyder. The deadline for submitting entries

will be Nov. 20, 1967, Waddell said.

As participants in the Texas

Electric Cooperative Youth Tour, the local contest winners will leave Dallas June 6, 19-68 on the 13 day all expense paid trip. The group will travel by chartered buses to Washington, D. C., where they will spend four and one half days visiting places of historical interest and seeing our nation's government in action.

On Wednesday, June 12, the Texas group will meet more than 800 students from other states for a program sponsored by the National Rural Electric Cooperative Association, and the Rural Electrification Administration. The program will feature presentations by officials of these organizations and other Washington personalities and possible, the Presidential staff.

Also included on the 13-day agenda will be visits to the following: George Washington's Mount Vernon home, Arlington National Cemetery, the U. S. House and Senate, the Department of Agriculture, Smithsonian Institute, Lincoln Memorial, Congressional Reception, and a visit with Congressmen and Senators in their offices plus many other places of interest.

Pipers to Host Arch-Rival, Anson, In Crucial 5-AA Tilt

Two old arch-rivals will be meeting here Friday when the Pipers host the Anson Tigers in Piper Stadium with game time starting at 8 p.m. The Tigers will be seeking their first district win and the Pipers will be trying to stay within range of at least a share of the district title.

The Hamlin eleven suffered their first loss of the season last week when they fell to Haskell, 14-7. In other action in 5-AA, Anson lost to Colorado City, 19-6; and Stamford defeated Winters, 17-0.

Stamford and Haskell, district leaders with 3-0 records,

Civics Class Holds Mock House of Representatives

Nov. 15 — Haskell, there

The HHS senior civics class became a minature House of Representatives during class this week. Reba Jackson acted as Speaker of the House, Donnelle Hill as clerk, Jayne Turner and James Knabel as floor leaders. Kathy Moore, Janice Hardaway, Janet Carson, and Milton Davis were officials of the press. The remainder of the senior class acted as representatives.

Examples of bills and resolutions that are being brought before the house are: requiring pictures and blood tests to be made for a driver's license, ordering senior class rings before senior year, supporting Viet Nam fighters, withdrawing aid to Middle East countries, offering resolution that HHS bolster spirits of the band, researching harmful insecticides, and caring for needy people.

Many more resolutions and

people.

Many more resolutions and bills were brought before the house. Some were passed and some were not. It is believed that the class profited from this form of "play-acting." Each person seemed to learn more about the government and the process of lawmaking. Reporter: Janet Carson

Bridge Winners

will be meeting in Stamford Friday with the Pipers and the Hamlin fans pulling for a Stamford win to keep the Pipers in the race.

Although the Pipers lost to Haskell last week, Coach Joe Youngblood told the Booster Club Monday night that he was real proud of the boys and that they did their best. While the Tigers are still looking for their first district win they were picked to win this district in the early ratings and the Anson-Hamlin game is always a good one, Coach Youngblood told the Hamlin supporters.

The runback of the opening kickoff and the loss of two quarterbacks by Anson was the big difference in the Anson-Haskell game as the Tigers gained more yardage and first downs than the Indians. The

ago with Anson losing 21-11.

The Pipers are expected to be in good shape for the game Friday night with no one suffering any serious injuries last week.

The Anson attack is built around a good field general in Quarterback Jimmy Faulks and the running of Tailback Andrew Garcia. These Tigers will be operating behind a line that averages 172 pounds.

Probable starters for the Tigers will be Larry McLaren, 165, and Freddie Trice, 155, at ends; Frank Hallmark, 175, and Mike Abbott, 190, at tackles; Max Blackwell, 175, and David Moore 175, at guards; and Willy Isbell, 205, at center.

In the backfield with Faulks, 160, and Garcia, 170, will be Tommy Adkins, 156, at halfback and Joe Myers, 170, at wingback.

In other games this week the Piper B Team will travel to Colorado City for a return match with the C-City B Team. Game time is 7:30. The B Team and Freshmen combined last Thursday to down Anson, 24.6

The Freshmen will host the Winters Frosh here Thursday at 7:00 and the Eighth grade will close out its season Tuesday night in Stamford.

Educational Service Center Sets Open House Sunday Afternoon

The Region XIV, Education Service Center, located at the old Nike Missile headquarters on Farm Road 600 north of Abilene, will hold an Open House Sunday afternoon, from 2 to 5 p.m.

The headquarters complex, located on the west side of Lake Fort Phantom, has been completely remodeled and the Center is now in operation, Dr. Robert A. Montgomery, executive director, announced.

The public is invited to attend the Open House along with all school teachers and administrators in Region XIV. The Center serves a 13-county area in the Big Country including the counties of Scurry, Mitchell, Fisher, Nolan, Stonewall, Haskell, Jones, Taylor, Shackelford, Callahan, Eastland, Stephens, and Comanche.

Visitors will be taken on a teur of the Education Service Center and refreshments will be served. Hostesses will include wives of the Center staff, Mrs. Robert A Montgomery, Mrs. Leo Lambert, Mrs. James Taylor, and secretaries Mrs. June Reeves and Mrs. Elizabeth Turner.

Members of the Center's Board of Directors will be on hand including Raleigh Brown of Abilene, chairman; A. V. Jones, Jr., Albany, vice chairman; Leldon Clifton, Hamlin, secretary; and Johnnie Ammons, Roby; Dr. Robert I. Hargrove, Jr., Snyder; R. I.

(Mac) McArron, Breckenridge; and M. H. Perry, Eastland.

The Center is in the process of establishing a 16mm film library of educational motion pictures for the use of all teachers and students in the region. The library will consist of approximately 900 films on subjects in all grade levels from one through 12.

A newsletter is published by the Center staff every two weeks to keep school personnel informed on the activities and services provided at the Center.

A workshop on the "process approach" to teaching elementary science is currently underway and will continue through April 4. More than 170 teachers from throughout the region are participating in the weekly sessions.

The Center offers duplication services for teachers, including paper copies and transparencies for use on overhead projectors.

In the future, the Center will provide additional services including data processing, pupil appraisal, programs for atypical children, special instructional programs, increased instructional materials, cooperative programs among schools in the region, vocational education, and "other services limited only by the imagination of the Center staff and school personnel in Region VIV."

The USDA apparently believes the skip-row action, plus a downward adjustment in diversion payments will give an adequate boost to 1968 cotton production.

The skip-row announcement was hailed by Charles Stenholm, Executive Vice President of the Rolling Plains Cotton Growers as a "real victory for cotton producers." "The never-say-die attitude of Congressmen Graham Purcell and Omar Burleson along with efforts from Bob Poage and George Mahon played a key roll in the final removal of penalties," said Stenholm. "But a lot of credit also must go to some 7,000 Rolling Plains farmers, who attended protest meetings, wrote letters appealing for justice, sent representatives to Washington, kept in contact with their Congressmen, or otherwise

The intent is to provide a useful, factual and informative document but not to include any of the mili-

tary aspects. Burleson said he felt the document would give families of servicemen a better perspective of the area, layout and location where servicemes may be, and he wishes to place them with people who do have a son, husband, father or close relative in Vietnam and will welcome such requests, on a first-come, first-served basis.

The removal of skip-row measurement penalties in 19-68 also means that retroactive penalties imposed on yields during 1962-65 will also be removed. "This means that projected yields in many Rolling Plains skip-row counties will be increased over what they would have been had penalties remained in effect" over 3 million dollars.

Other major details of the 1968 cotton program included the announcement that growers will be required to divert at least 5 per cent of their farmer has done his fair share allotments out of cotton production to qualify for price support loans and price support payments.

This is down from a 121/2 percent required diversion in 1967. On the required diversion in 1968, growers will receive a payment of 10.76 cents a pound on the projected yields assigned to their farmers by the Agricultural Stabilization and Conservation Service Payments on the required diversion this year were 10.78 cents a pound.

In addition to the required diversion, growers next year will have an option of diverting another 30 percent of their allotment from cotton production at a payment rate of six cents a pound.

This compares with a posyear of 221/2 per cent at

"In other words" said Stenholm, "if a farms projected yield is the same in 1968 as it was in 1967 and the diversion rate is the same in both years said the RPCG executive. "The the cotton check for that farm value of these increased yields will be reduced 9.3%." "A to Rolling Plains counties is more positive way to look at it, surmises Stenholm, "would be that if every other Federal program is also cut 9.3% the Federal Deficit will be cut 12 billion dollars and the cotton in cutting Federal spending and balancing the budget.

Here's why. With a modern gas range there's no slow warm-up period. You turn the burner on and get the desired amount of heat - instantly! Burner with a Brain holds that precise temperature until cooking is done. No waiting, no watching, no wondering with flame fast gas. You can see the flame go to work the instant you turn the burner on.

You can cook a 3-minute egg faster with gas than with electricity. (Of course, faster cooking means less gas used and more economy for you!) Only modern gas cooking gives you this much control, flexibility and speed. See the wide variety of modern gas ranges at your local gas appliance dealer or LONE STAR GAS.

A THIRSTY LAND

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphald and participate in the Church because it tells the truth about man's life, death and destiny; the

PIPER PATTER—

Student Council Successful In Bid for District Secretary

Beth Craig Janet Carson Tommy Oliver

The Pied Pipers were defeated in a hard fought game with Haskell Friday night. A packed stadium watched the last seconds tick away with the score Haskell 14 and Hamlin 7. Phillip Simpson scored the single touchdown and Jimmy Hastings booted the extra point.

The Pipers will battle with Anson on the home field this Friday night. Good luck, Big

The Hamlin Student Council traveled to Winters Saturday for the district meeting of the Oil Belt District of Student Councils. Milton Davis, president of the district, presided. During the election, Hamlin was elected secretary-treasurer. Abilene High gave Hamlin's nomination speech and Sam Ferguson gave the acceptance speech.

The office of secretarytreasurer entitles Hamlin to Jo Lynn Johnson, discussed host the district meeting next fall.

A discussion on the Value of Workshops was given by Peggy Jones, Mike Young, Gil Lain, and Beth Craig. Pat Perrin gave the summary of the discussion to the general assembly. Others attending were council members Kathy Moore, Debra Brown and Greg Education Development Test Perrin. WHEN A FORD OR CHEVROLET **PROSPECT** ASKS ABOUT PRICE **WE POINT** WITH PRIDE TO CHRYSLER

Here's news for the big-car man! Now four 1968 Chrysler Newports are priced just a few dollars a month more than the most popular smaller cars, comparably equipped. That means with power steering, power brakes, radio and heater. Isn't it time you made your move—up to a big 1968 Chrysler?
